subleasy

subleasing for students made easy.

Subleasy helps connect students to find their next perfect sublease.

Whether you're looking to get someone to take over your lease or searching for a place to stay, we've got you covered.

Find listings near you

Easily search for places near you and apply customizable filters to find the perfect place for you that meets your housing needs and preferences

Save your locations of interest

Have places you go to often? Add them as Commutes, and we'll automatically calculate the distance a listing is from each of them. See how far the commute any listing is from your saved locations by foot, bus, or bike!

Chat with students

Safely chat with other students inside the app to get all your important questions answered. Schedule a tour, ask about furnishings, it's all possible and up to you!
